Friends of the Library News

The Friends of the Library end this year on a positive note. The book sale was a big success with many families able to score bags of books for minimal cost which then, in turn, benefits the library and it's programs. We also thank those of you who ordered fudge from The Mill Fudge Factory in Bristol, NH (recognized by Yankee Magazine as a top contender in the US for it's fudge!). If you missed out this year, please be sure to order with us for the holidays next year!

Thank you to Warren and Pat Gerety for their time and dedication to the Friends of the Library. As they step down from their positions on our board, their contributions will always be appreciated. We will look forward to seeing them around town and at the library enjoying programs as guests!

The new 2016 Friends of the Library Committee: Kristy Butler-President, Dori Smith-Vice President, Joan Robinson-Treasurer, Cathy Murdock-Corresponding Secretary, Pat Angus-Director, Julie O'Callaghan-Director. We are still in need of a volunteer to be our Recording Secretary. If you wish to join is, please come to one of our meetings which are held on the first Tuesday of the Month at 7pm in the library.
