

Friends of the Fremont Library

7 Jackie Bernier Drive

Fremont, NH 03044

(603) 895-9543

Dear Fremont Residents and Neighbors,

The Fremont Library is a vital part of our community that helps to provide us with information, culture, education and recreation for young and old alike. Without volunteerism and financial support, we are not able to bring special events to our town that enhance the library's current resources.

In past years, the Friends of the Fremont Library has brought us museum passes, discounts to local establishments, Humanities Counsel Programs, art carts, children's book totes and more. This year, we have kicked off a brand new Fremont Adult Recreation program together with the Fremont Parks and Recreation Department and are holding various class offerings in the community room several times per month. Check out our upcoming schedules on the library's webpage, facebook and flyers around town. You can get information or register for classes by emailing fremontadultrec@gmail.com. Bring a friend or make new ones! We hope you will join us.

Become a member of the Friends of the Fremont Library by completing the form below and returning it to the library with your check payable to the "FOFL".

We truly appreciate your support and welcome your ideas, input and look forward to seeing you at our upcoming events.

Sincerely,

The Friends of the Fremont Library Board of Directors

Kristy Butler, President

Dori Smith, Vice President

Joan Robinson, Treasurer

Cathy Murdock, Corresponding Secretary
